MEMORANDUM FOR: Deputy Director for Administration

FROM: Clair E. George
Deputy Director for Operations

SUBJECT: Proposed Retirement Package

HARRY,

1. The proposed retirement package appears to be right on target to us. The balance between the CIARDS and Civil Service groups looks good and all points have been covered.

2. It is important that the package be accepted intact. There is little room for negotiation on individual points without affecting the whole. I remain particularly concerned about our young officers who came on board in 1984 and 1985. Getting the package through the Congress is critical to the recruitment and retention of these officers.

3. Your people have done a good job of getting us this far. You have whatever support is required from us to get through the next hurdles.
